

Request to Work Concessions Application (To be filled out by end of school year '09-'10)

The Gopher Spirit Club, the Booster Club of Gresham High School, operates concessions at Gresham High School. It is designed as a service to feed fans, and to channel and distribute money to Gresham High School's Athletics and Activities departments. Any concessions operated out of the high school must be requested through the Gopher Spirit Club.

By signing up to work concessions, you are agreeing to finding a representative to organize parents to work in concessions school year '09-'10. See details below

In return for working Concessions, your club or team will receive \$50/person for each 3-5 hr shift worked. Volunteer Coordinator determines number of people needed.

Activities Representative's job to find volunteers to work concessions during the time frame of the event assigned to you by the Volunteer Coordinator. It is also your responsibility to make sure your volunteers show up for the event.

- Find volunteers to work concessions during the event
- Fill out volunteer time to track volunteers. Give to VC at the end of event season or event so you can be reimbursed. (This is for VC record keeping.)
- Notify your volunteers on a consistent basis their time slot and duties
- You have complete flexibility as to number of hours each volunteer is to work and how to break your shift up. Vol. Coordinator is your contact person and consultant if you need help – but NOT to fill a position at the last minute.
- Remember, money allocation is based on # of volunteers VC has allocated
- If your schedule allows, assist Opener in opening concessions and ultimately relieve Opener of this responsibility.

Please return this application to the Athletic or Activities Departments by end of school year to be awarded your first choice for working concessions.
